For over 42 years, the HFMD has been fulfilling its mission of *meeting the needs and enhancing the quality of life of persons who live with hemophilia, related genetic bleeding disorders, and their complications*. Funds raised from this event will help to support numerous programs that impact the lives of people with bleeding disorders, including :

- Camp for kids so they can learn how to manage their condition and be with their peers
- Emergency financial assistance to help patients and families in need
- Education retreats for families to develop a community of support and learning.
- Group fitness events
- General operations to help support the cost of staff, phone, and office space
