

Chris Becchetti is a Registered Nurse working in the bleeding disorder community with Hema Biologics. He attended nursing school at St. Mary's Campus of St. Catherines College in Minneapolis, MN and holds a degree in Healthcare Administration. He is a member of the American College of Healthcare Executives with a personal passion for healthcare reform and sustainability.

Over the last 25 years, he has held roles as Nurse in direct patient care, a Practice Administrator and COO within a large IDN in Wisconsin, and in numerous roles across industry including sales, marketing and value roles. Chris is passionate about serving the hemophilia community and excited to be working with HFMD and the hemophilia community.

In his personal life, Chris has been married for 23 years and has 2 daughters attending college. Growing up in Northern MN, he enjoys anything outdoors with family and friends.
